To Whom It May Concern:

It is my great privilege to highly recommend Mr. Jim Harris in his ministry endeavors. Over forty years of ministry it has been rewarding to see the wonderful ministries that have been started by friends and teammates of this ministry.

Jim Harris has been a tireless advocate for the "least of these" and God has given him a wonderful personal story that has impacted many others. I pray for great success in his continued efforts to reach inmates and young people with the transforming gospel of the Lord Jesus Christ.

He has performed as a platform guest for us in prisons all over this country. He flies his model airplanes in a fun and entertaining way and tells his life story in an impactful way. I highly recommend him.

Sincerely,

Bill Glass
